Fellowship Hall

After the worship service. Lunch will be served.

All are welcome to join Immanuel's youth, students from Lutheran Episcopal Campus Ministry, and members of our sewing group as we work together to make cozy, fleece blankets for Children's Hospital and construct a "Little Food Pantry" that will be placed outside the church.

Join us as we open our hearts, get crafty, and support our community with thoughtful gifts!

Thank you for supporting Immanuel's Youth Fundraiser for "Souper Bowl of Caring!"

Your thoughtful and generous donations will be delivered to the Weld Food Bank and the monetary & food totals will be revealed in next month's newsletter!

THANK YOU!

Are you Planning to Attend Rainbow Trail Lutheran Camp this Summer?
